

## Taba Naba

*A song from the Torres Islands.*

Taba naba naba norem  
Tukay penai sir  
mi dinghy em nabatre  
Miko kei mi sirir em narbore  
Taba naba norem! Style!

Come, let's go, let's row to the reef  
We'll get in the dinghy  
when the morning tide is low  
Let's row out to the edge of the reef,  
Come on, let's go to the reef! Style!
